VIRGINIA

MILITARY INSTITUTE,

Lexington, Va.

OFFICIAL REGISTER.

1872-73.

Headquarters, 1st Brigade, 2d Corps, A. P., Centreville, October 22, 1861.

Gentlemen,—Your circular of the 9th inst. has been received, and I beg leave to say in reply, that I only took the field from a sense of duty; and that the obligation that brought me into service still retains me in it, and will probably continue to do so as long as the war shall last. At the close of hostilities, I desire to resume the duties of my chair, and accordingly respectfully request that, if consistent with the interest of the Institute, the action of the Board of Visitors may be such as to admit of my return upon the restoration of peace.

Respectfully, your obt. servt.,

T. J. JACKSON.

Professor Nat. and Exp. Philosophy, V. M. I.

To

Gen. Wm. H. RICHARDSON, Committee.

Letter from General R. E. Lee.

" Camp Petersburgh, July 4, 1864.

"I have grieved over the destruction of the Military Institute. But the good that has been done to the country cannot be destroyed, nor can its name or fame perish. It will rise stronger than before, and continue to diffuse its benefits to a grateful people. Under your wise administration there will be no suspension of its usefulness. The difficulties by which it is surrounded will call forth greater energy from its officers and increased diligence from its pupils. Its prosperity I consider certain.

"With great regard, very truly yours,

"R. E. LEE."

"Gen. Francis H. Smith."

REMARKS.

THE VIRGINIA MILITARY INSTITUTE was established, and is supported, by the State of Virginia. It was organized in 1839, as a State Military and Scientific School, upon the basis of the United States Military Academy at West Point, and has been in successful operation for thirty-three years. The cadets admitted consist of two classes, State and Pay cadets. The Institute supplies to the State cadet his board and tuition; and in consideration thereof, he is required to teach two years after graduation. The Pay cadet is at his own expense, which averages \$500 per year, for every charge, including clothing. The State cadets are selected from those who are unable to bear their own expenses. The Institution has always had as many pupils as its buildings would accommodate, and numbers now 50 State and 225 Pau cadets. Applications are made, by letter, to the Superintendent prior to the first of July, each year, and appointments are made for both classes of cadets by the Board of Visitors.

The State makes an annual appropriation for the support of Virginia Military Institute of \$15,000. This sum supplies tuition and board to the State cadets, without charge, and supports—by the aid of the tuition fees, and the income from vested funds—the Faculty. In 1860, a donation of \$20,000 was made by Gen. Philip St. George Cocke, for the endowment of the chair of Agriculture, and in the same year, a donation was made of \$11,800 by Dr. William Newton Mercer, of Louisiana, to endow the chair of Animal and Vegetable Physiology, applied to Agriculture. A donation was made at the same time by Mrs. E. L. Claytor, of Virginia, of \$5,000, to erect a Hall of Natural History.

The Virginia Military Institute had just placed itself before the public, as a General School of Applied Science, for the development of the agricultural, mineral, commercial, manufacturing, and internal improvement interests of the State and Country, when the army of Gen. Hunter destroyed its stately buildings, and consigned to the flames its library of 10,000 volumes, the Philosophical apparatus used for 10 years by "Stonewall" Jackson, and all its chemicals. The cadets were then transferred to Richmond, and the Institution was continued in vigorous operation until the evacuation of Richmond, on the 3d April, 1865.

On the 21st of September, 1865, the Board of Visitors met in Richmond to re-organize the Institution. The war had made sad traces on the school, besides the destruction of its building. library and apparatus. Three of its Professors, Lt.-Gen. "Stone-WALL" JACKSON, Maj.-Gen. R. E. Rodes, and Col. S. Crutchfield, two of its Assistant Professors, Capt. W. H. Morgan and Lieut. L. CRITTENDEN, and 125 of its alumni, had been slain in battle. and 350 others maimed. Considering, however, the great demand flowing from the general suspension of education in the South, and the special field of usefulness distinctively marked out for this School of Applied Science, the Board of Visitors proceeded with energy and resolution in their work, and having elected Gen. G. W. Custis Lee, and Col. Wm. B. Blair, distinguished graduates of the U.S. Military Academy, to fill two of the chairs made vacant by the death of Gen. Jackson and Gen. Rodes, and at subsequent meetings appointed Commodore M. F. Maury, LL.D., late of the Observatory, Professor of Physics, and Superintendent of the Physical Survey of Virginia, and Capt. JOHN M. BROOKE, late of the Navy, to the new chair of Practical Astronomy, Geodesy, Physical Geography and Meteorology, the Virginia Military Institute resumed its accustomed work, amid its ruins at Lexington, on the 17th October, 1865, with some 50 cadets, organized in four classes, and prosecuted its work with earnestness and effect, and on the 4th of July following, ten cadets, constituting the first class, who had borne the hardships and perils of the Institution, during the whole of the war, were

graduated, having completed a course of scientific and general study, which will commend them to the confidence of the scientific scholar.

The Legislature of Virginia promptly responded to these evidences of vitality on the part of the school, by providing for the payment of its annuity and the interest on its vested funds. This provision enabled the Board of Visitors to appoint the State cadets required by law to be admitted, and arrangements were at the same time in progress to restore the buildings; and on the 1st of July, 1870, they had the pleasure to report to the Governor the complete execution of this work, including a full equipment of the Laboratories, Engineering and Drawing Department of the Institution. The Virginia Military Institute now numbers 747 graduates, 242 of whom were State cadets. There have been altogether 2,900 matriculates, and of these 615 were State cadets.

System of Instruction and Government.

The System of Instruction and Government in the Virginia Military Institute is distinctive, and is founded upon that of the United States Military Academy at West Point.

As soon as a young man enters the Institution, it assumes over him an entire control, and not only directs his moral and intellectual education, but provides everything required for his personal wants or comfort. A cadet may, if his parents desire it, remain in charge of the Institution for the entire term of four years, as the system of government keeps it always in operation. The months of July and August, in each year, are devoted exclusively to Military Exercises. Furloughs are granted to those who may desire it, in turn, during this period. The cadets are lodged and boarded in the Institution, their clothing, books, and other supplies being provided by the Quartermaster of the Institute, at cost. The sick are under the special care of the Surgeon, with Hospital and other facilities for nursing.

The energy, system, subordination, and self-reliance which the military government of the Institute cultivates, gives a practical character to the education which it supplies. The high reputation which its Alumni have established for the School is the evidence of its value.

Attendance at Church and Bible instruction is prescribed for each Sabbath.

Estimated Expenses.

Tuition	\$100	00
Board, \$15.00 per month	180	00
Washing, \$2.00 per month		00
Fuel and Lights, \$3.00 per month		00
Surgeon's Fee		00
Estimated College Expenses	350	00
Estimated annual cost for Clothing and incidentals supplied at		
the Institute	150	00
Total expenses including Clothing	\$500	00
-		_

This estimate is regarded as sufficient, but as cadets differ much in the wear and tear of clothing and in the care they take of it, the Institute does not bind itself that this estimate shall not be exceeded. It does bind itself to control, by all proper means, the expenses, and the average does not exceed the estimate.

When a cadet leaves the Institute before the expiration of the year, the tuition fee and surgeon's fee are required to be paid for the whole year. A ratable deduction is made on all other charges. As the estimate includes clothing, the issues for the whole year are usually made within the first six months.

Deposits are made with the Treasurer semi-annually, in advance. The quarterly Circulars give a statement of the current expenses of each cadet.

Pocket money is allowed at the discretion of the parent, not exceeding \$5.00 per month, for which a special deposit must be made with the Treasurer.

As the cadets wear a prescribed *Uniform*, it is only necessary to bring a full supply of *under-clothing*, with shoes, towels and bedding; or these articles may be obtained at the Quartermaster's store, at cost.

Explanation of Conduct Foll.

All offences against orders or regulations are recorded.

These offences are divided into seven grades; each of which comprises offences of nearly the same degree of criminality. The degree of criminality of offences of each grade is expressed by a number, as follows:

Offences of the 1st grade by 10.

" " 2d " " 8.

" " 3d " " 5.

" " 4th " " 4.

" " 5th " " 3.

" " 6th " " 2.

" " 7th " " 1.

For each year (after the first year) that a cadet has been a member of the Institute, his offences are made to count more, by adding to the number expressing the degree of criminality of each offence, one-sixth for the second class, and one-third for the third class, and one-half for the first class.

At the end of the Academic year these numbers are added up, and the sum thus obtained is that found in the column of "demerit."

When a cadet has more than 100 demerit by the 1st of January, or 200 in one year, he is dismissed *ipso facto*.

ORDER OF MERIT IN CONDUCT

Of the Corps of Cadets, for the year ending July 1, 1872, the names of those Cadets who have passed the whole year without demerit being indicated by an asterisk * as distinguished in conduct.
